

Public Private Partnership

Breckland Bridge Ltd

Breckland Bridge is a joint venture between Breckland District Council and the Land Group.

The Company is responsible for the strategic management and development of the non operational property assets of Breckland District Council.

By utilising the skills and experience of the Land Group as the Council's private sector partner Breckland Bridge will manage and deliver commercial and residential schemes across the district to assist in the delivery of the Council's strategic aims and objectives for regeneration, creating job opportunities and providing new homes for the benefit of the community across Breckland.
