

Private Finance Initiative

Canterbury High School

Working in partnership with Canterbury High School and the Department of Education Land Group developed a 40,000 sq ft sports hall and associated sports facilities.

The Development was undertaken as a PFI in conjunction with the Ballast Wiltshire and was a pathfinder PFI project for the Department for Education and Science.

Facilities include a café, 6 lane athletics track, a 6 court indoor Badminton hall and a 60 station fitness centre.

The £5m scheme was financed by Ash Corporate Finance, the National Lottery, and the Department for Education and Science.

The project management was undertaken by the Land Group through Neilson Project Services Ltd.
