

Greenwich Hospital

Bid Leader and financial consultant to the winning PFI consortium for the redevelopment of the Queen Elizabeth Hospital in Greenwich.

The Hospital is equipped with 500 beds, as well as 9 operating theatres and state-of-the-art imaging and laboratory services.

This £100m scheme was the flagship PFI scheme for the Queen Elizabeth Hospital NHS Trust. The scheme was project managed by Meridian Hospital Company PLC, with the Land Group providing financial consultancy services for the development through Ash Corporate Finance.
