

## SUFFOLK FIRE STATIONS PFI

This project comprises the Refurbishment, Redevelopment and Facilities Management of 11 Fire Stations across Suffolk.

Working with Suffolk County Council and The Suffolk Fire and Rescue Service the project encompasses the following:-

- Relocate and Rebuild Lowestoft South (whole time Fire Station)
- Relocate and Rebuild Lowestoft North (retained Fire Station)
- Relocate and Rebuild Hadleigh (retained Fire Station)
- Rebuild Needham Market (retained Fire Station)
- Rebuild Nayland (retained Fire Station)
- Refurbish Ipswich (Colchester Road whole time Fire Station)
- Refurbish Bury St Edmunds (whole time Fire Station)
- Refurbish Haverhill (day crewed Fire Station)
- Refurbish Felixstowe (day crewed Fire Station)
- Refurbish Sudbury (retained Fire Station)
- Facilities Management Services to all the above plus Newmarket Fire Station (day crewed).

The scheme is documented through a standard PFI arrangement. Construction is being undertaken by Farrans Ltd with Norfolk County Services providing FM Services.

Neilson Project Services is acting as Employers Agent with funding for the project arranged by Ash Corporate Finance through Allied Irish Bank.
