

HEATHLANE PROPERTIES LTD

Heathlane Properties Ltd consists of a mix of residential and commercial properties based in Kent with an overall asset value of £2 million and a rental income of £100,000 per annum.

Neilson Project Services (NPS) manage the active portfolio which includes tenancy renewals, leasehold/freehold sales and acquisitions, maintenance and condition inspections, schedule of works and rent reviews.

Financially we manage the portfolio, keeping tight credit control on all income and expenditure from debt collection, small claims court and if necessary taking the appropriate legal action through to a County Court possession order.
