CONTEMPORARY URBAN CENTRE – LIVERPOOL, L1

On behalf of the registered charity Novas Scarman Group, Neilson Project Services (NPS) has recently been awarded the property management of the Contemporary Urban Centre (CUC) Liverpool, L1.

The CUC is 110,000sqft Grade II Listed converted warehouse within the prestigious Liverpool Docks Regeneration area.

The centre has been converted to form a mixed use building including serviced office accommodation, Wedding/Conference venue, fully fitted theatre, 400 seat cinema and retail bar and restaurant units.

NPS's responsibilities include managing the marketing and lettings strategy together with facilities and property management, retaining the existing workforce at the Centre. In this later role NPS undertake all invoicing and credit control on income and expenditure.
